and will pay for the same in 6 per

cent bonds of cash. Sub-agents visiting

the different parts of the State, having in

my name, will have written certificates of

appointment.

Favorable citizens are now offered an

opportunity to aid the Government by selling

to me their cotton rather than to private

RECRUITS WANTED.

The undersigned are at home (under the

last order from Gen. Smith), for the

purpose of recruiting. We are authorized

to offer \$100 bounty and all the benefits

provided by law for volunteers, besides

paying them \$100 per month, higher than

any other service. This conclusion has not

been arrived at from the high price every

thing is now selling at, but from the fact that

no one can carry on the Nursery business at

our old prices without losing money. I

will have the trees raised, counted in

hundreds of 100, and ready for delivery on

the day of sale.
